Translate from **any language** Into **English (US)** Glossary

Type to translate.

Drag and drop to translate Word (.docx) and PowerPoint (.pptx) files with our document translator.

Popular: Spanish to English, French to English, and Japanese to English.

Other languages: German, Portuguese, Italian, Dutch, Polish, Russian, and Chinese.

Tech giants Google, Microsoft and Facebook are all applying the lessons of machine learning to translation, but a small company called DeepL has outdone them all and raised the bar for the field.
Its translation tool is just as quick as the outsized competition, but more accurate and nuanced than any we've tried.
